### BO BOBAL UNICO

88 PTS & 4 STARS VALUE FOR MONEY  
GUÍA PEÑÍN - SPAIN

**TASTING NOTES:** The Bobal vine has large, winding leaves and medium-size, compact grapes of a very deep hue. It matures late on vigorous, fertile plants and produces rich, full-coloured wines with brilliant tones provided by its high acidity. In contrast with the past, better understanding of lower yield viticulture today is producing meatier, higher tannin wines which age spectacularly well.
